## Mould Release Agent (oily)

- Oily. Good demolding effect
- More demolding times
- Non Toxic, Non corrosion
- Will not damage the surface of plastic
- Environmental protection

Volume: 500ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*245mm

## Mould Release Agent (Neutral)

- **Neutral. Good demolding effect**
- **More demolding times**
- **Non Toxic, Non corrosion**
- **Will not damage the surface of plastic**
- **Environmental protection**

Volume: 500ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*245mm

## Mould Release Agent (Dry)

- Dry. Good demolding effect
- More demolding times
- Does not affect subsequent painting
- Non Toxic, Non corrosion
- Environmental protection

Volume: 500ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*245mm

# YD100

## White Anti-rust Agent

- Anti-rust Lasting
- Good ability for anti-rust & anti corrosion
- Environmental protection

Volume: 500ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*245mm

# YD200

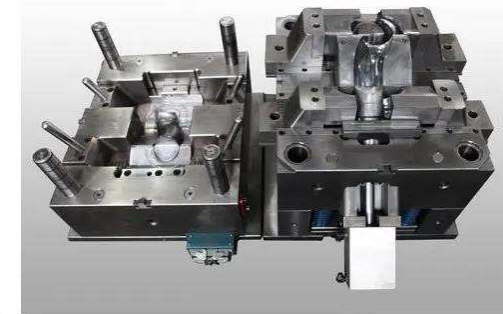

## Transparent Anti-rust Agent

- Anti-rust Lasting
- Good ability for anti-rust & anti corrosion
- Environmental protection

Volume: 500ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*245mm

# YD300

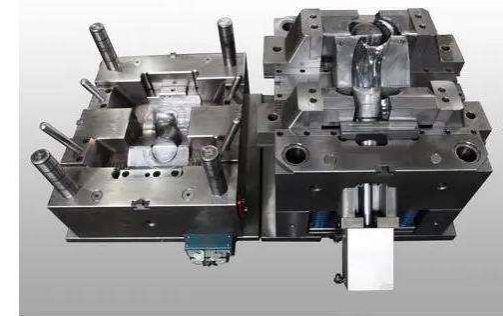

## Green Anti-rust Agent

- Anti-rust Lasting
- Good ability for anti-rust & anti corrosion
- Environmental protection

Volume: 500ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*245mm

# OK202

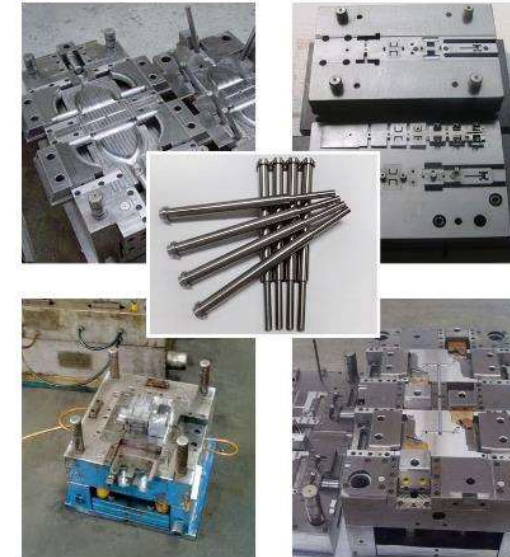

## High Temp Thimble Lubricant spray

- **Excellent Lubricity**
- **Superior Anti attrition function**
- **Excellent high temperature resistance**
- **Excellent Anti rust & Corrosion**
- **Environmental protection**

It is widely used for the lubrication of various injection molding machine molds and machining machinery guide rails, thimble lubrication, tool molds, thimble rows, chains, gears, etc.

It can also be used for lubricating hardware mechanical guide rails.

**Volume: 500ml/can**

**Packing: 24pcs/carton**

**Carton size: 420\*280\*245mm**

## Mold Cleaner

- Non Toxic, Non corrosion
- Environmental protection
- Green Product
- Strong cleaning ability
- Shorten anti-rust protection
- Will not damage the surface of metals

Volume: 500ml/bottle

Packing: 24pcs/carton

Carton size: 420\*280\*258mm

688

## Multi-purpose Anti-rust Lubricant

- Soften and Remove normal rust
- Eliminate unusual noise
- Good ability for anti rust & corrosion
- Suitable for 6 month to 1 year anti-rust
- Environmental protection

**3 in 1**

**Cleaning + Anti-rust + Lubricant**

Volume: 550ml/can

Packing: 24pcs/carton

Carton size: 420\*280\*258mm
